

Petition to the Government of Canada

Whereas:

- The 150th Anniversary of Confederation is approaching in 2017, providing an opportunity for Canadians to celebrate the achievements and history of our country;
- The Government of Canada has chosen to designate diversity and inclusiveness, reconciliation with indigenous peoples, environment, and youth as the themes of the 150th Anniversary celebrations;
- The Government of Canada has **not included Confederation** or Canadian history as official themes of the 150th Anniversary of Confederation;
- The 150th Anniversary of Confederation is an important opportunity to commemorate the events which founded Canada and preserve and promote Canadian history;

We, the undersigned, **residents of Canada**, call upon the **Government of Canada** to include Confederation as an official theme of the 150th Anniversary of Confederation.
